This Permit is issued to the above person(s) to use and maintain the following property located on land owned by the County of Schuylkill:

The following stipulations apply:

1. The dock or property had to have been in existence prior to September 28, 2005 in which case there is no fee.
2. The dock or property must be maintained in useable condition or it must be removed voluntarily or upon notice by an authority of the County.
3. A dock or property beyond repair can be replaced with one of similar use or function as long as it is so noted on this permit by an authority of the County.
4. This permit is not transferable. Example: if the property associated with the dock or property is sold or otherwise has its title transferred, a new permit would have to be issued at the discretion of the County.
5. If in the event it is determined that a permitted dock or property interferes with a project that benefits the Park, this permit can be suspended temporarily or permanently.
6. The County assumes no claims of liability for the dock or property issued under this permit and the permit holder shall post the dock or property as "Private Property".

By signature below, I (we) agree with the terms and conditions as stated above.
