This Permit is issued to the above person(s) to moor their watercraft on land owned by the County of Schuylkill. List watercraft moored below.

The following stipulations apply:

1. The persons named in this permit had to been mooring their watercraft at the above location prior to September 28, 2005 in which case there is no fee.
2. The mooring of any watercraft shall not interfere with recreational activities or the use of the Park's trails.
3. This permit is not transferable. Example: if the property associated with the mooring permit is sold or otherwise has its title transferred, a new permit would have to be issued at the discretion of the County.
4. If in the event it is determined that a mooring permit interferes with a project that benefits the Park, this permit can be suspended temporarily or permanently.
5. The County assumes no claims of liability for any watercraft moored under this permit. Any watercraft is moored at the owner's risk and responsibility.
6. All watercraft moored under this permit must be in good repair, seaworthy and registered or permitted by the PA Fish and Boat Commission.
7. A separate Boat Dock or Incidental Property permit must be obtained for any dock or mooring structure.
8. This permit shall be amended if watercraft are added, deleted or exchanged. Any violation of the above terms and conditions may result in revocation of the permit.

By signature below, I(we) agree with the terms and conditions as stated above.
